B. Judicial matters

I, the undersigned, born ... in ..., resident at ...
herewith grant

Power of Attorney

in the matter of

to the Attorney Dr. Achim-Rüdiger Börner,
maintaining his office presently at Fliederweg 7, D-56130 Bad Ems, Germany .

The power of attorney is granted for all administrative and judicial instances (among others §§ 81 German Code of Civil Procedure, § 302, § 274 Code of German Penal Procedure). It comprises of especially, but without limitation to it,

1. the filing, modification, and withdrawal of objections, complaints and legal actions, counteractions, and legal remedies,
2. the filing of motions for dismissal,
3. the filing of motions in divorce and follow-up suits, child status matters, care-taking matters, conclusion, modification and termination of agreements on legal consequences of divorce,
4. the filing of motions for pension, provision and support as well as other administrative information and the acceptance of such information,
5. the representation and defense in penal matters and administrative offences inclusive of pretrials and similar early procedures and – in case of absence – the representation under § 411 German Code of Penal Procedure and with specific consent by me also under §§ 233 para 1, 234 German Code of Penal Procedure, the raising of penal procedural motions and other procedural motions under the German Code of Penal Procedure as well as the raising of motions under the Law of Compensation for Actions of Prosecution, also for the procedure on quantum,
6. the representation in other procedures and extra-judicial negotiations of all kinds,
7. the conclusion, modification, and termination of contracts of all kinds as well as the making and acceptance of declarations with regard to the above-mentioned matter,
8. the acceptance of money, valuables and documents, especially receivables and sums from the court cashier, the treasury, and other offices, as well as the disposal of such amounts, this without the restrictions under § 181 German Civil Code
9. the granting of partial or full sub-power of attorney to third parties.

This power of attorney extends to all ancillary and consequential procedures of all kinds (seizures, cease and desist orders, procedure for cost allotment, enforcement, sovereign administration, depositions and bailments, intervention, as well as insolvency and settlement procedures with regard to the opponent's assets, and so forth)
